## Sofitel Mumbai BKC Restaurant Wins World Luxury Restaurant Awards

Sofitel Mumbai BKC's signature restaurant, Jyran – Tandoor Dining & Lounge, which already ranks among some of the best restaurants in the country, has won World Luxury Restaurant Awards in two categories – the best luxury hotel restaurant in the regional category and best Indian cuisine in the country category.

World Luxury Restaurant Awards unveiled the best restaurants in the world from a list of 81 categories, at a spectacular awards night in Vietnam. The awards night saw over 180 guests from more than 50 countries participating in a dazzling evening of luxury, glamour and style.

"We are extremely delighted to win in two categories for Jyran in this prestigious global award. Over the years, we have received some excellent reviews and feedback for the culinary experience we offer at our signature

restaurant," said Biswajit Chakroborty, General Manager, Sofitel Mumbai BKC.

Sofitel Mumbai BKC unveiled Jyran – Tandoor Dining & Lounge in the heart of the city in 2012. It has now become a leading destination in Mumbai's culinary circuit, adding a new dimension to its nightlife.

Jyran in Persian translates to 'Lost Love' and is a name symbolic of hope, new beginnings and emotions that follow a deep and moving experience.

Inspired from the North-west Indian Frontier Province; a land of warriors and poets, the restaurant's décor and cuisine have been designed with celebration and drama in mind. An eclectic restaurant by day, the elegant ambiance transforms it in to a stylish lounge by night.
